

# REGENT Floor/Table Top Screen

ULTIMATE SCREEN PORTABILITY by Harkness Hall

Pioneers in the development and manufacture of screen frames and the development and coating of screen surfaces, Harkness Hall combine unrivalled experience with the latest technology to provide innovative solutions for audio visual, cinema and leisure markets worldwide.

## Regent floor / table standing screen

Ready in seconds Harkness Hall's lightweight and self-standing Regent screen represents the ultimate in portability, simplicity and style.

Whether your show is for business, education or pleasure - the executive styled Regent provides a totally professional appearance.

## Application

Regent screens are recommended for:

- Training rooms, Board rooms and Reception areas.
- Schools and Colleges.
- Home Cinema.

## Construction

The case is brushed aluminium with bright steel snap locks. End caps and stabilising feet are polypropylene.

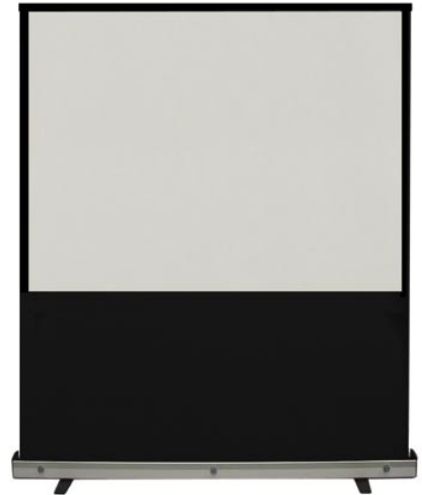

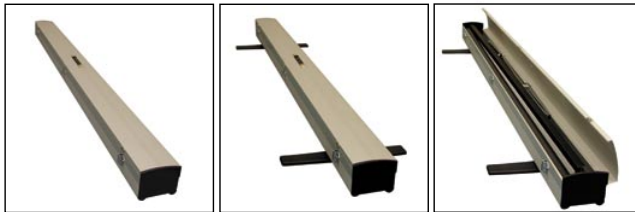

Fabric tensioning mechanism / height adjustment is rectangular section lightweight tube scissor formed to provide positive friction lock.

Fabric border - skirt - is specially coated matt black anti-glare for maximum light absorption.

Composite border / screen is bonded to pre-tensioned roller.

## Assembly

Simply swing out the stabilising feet, unlock and open case, raise screen to desired height.

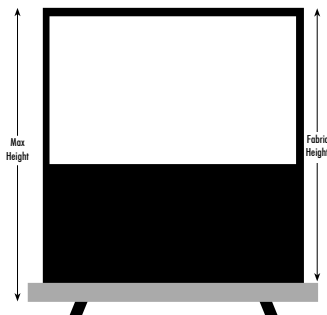

## Screen Surface

The Regent screen surface is neutral gain 1:1 matt white material.

## One size - Two formats

With a picture width of 173cm (68") choose either 4:3 or 16:9 format - picture diagonals are 216cm (85") or 198cm (78") respectively.

All other specifications are common to both formats.

Format	Picture		
	Width	Height	Diag
4:3	173cm 68"	130cm 51"	216cm 85"
16:9	173cm 68"	97cm 38"	198cm 78"

Specifications which are common to both formats.

	Border			Fabric		Max Height	Case Width	Weight
	Side	Top	Base	Width	Height			
4cm	4cm	75cm	180cm	208cm	220cm	187cm	12.0kgs	
1.6"	1.6"	29.5"	71"	82"	86.5"	73.5"	26.4lb
